B. B. GARUDACHARYA,
Superintending Engineer.

OFFICE OF THE COLLEGE OF ENGINEERING.

Notice dated 15th February 1918.

The attention of the public is invited to the notification published in the issue of the *Mysore Gazette* dated the 14th February 1918, pages 142 and 143, Part IV, calling for tenders for supply of certain tools and furniture required for the Fitters' and Carpenters' section of the Workshop of the College of Engineering, Bangalore. Tenders will be received up to 1st week of March 1918. The tools and materials are to be given delivery by the end of April 1918, and the furniture, by the end of May 1918, at the latest.

K. R. SESHACHAR,
Professor in charge.

BANGALORE DIVISION.

Dated 11th February 1918.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 4 P.M. on Monday the 11th March 1918, for constructing Lecture Hall, and Class Rooms at Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1919.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,000 (one thousand) in currency or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Lecture Hall and Class Rooms" at Bangalore, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates quoted must be specific. Tenders with vague quotations such as "as per market" will be rejected.
